# SESCO

Think SESCO, and think of the most current trends in upfront sounds. Originally hailing from London's underground party scene, SESCO has been DJing since the age of 14 and built his name on pirate radio. Over the summer of 2011 he moved to China setting up base in Shanghai playing at festivals & clubs across the eastern hemisphere.

In 2013 he moved to Macau, the Las Vegas of Asia where he teamed up with Club Cubic and hosted his weekly residency in Macau's premier nightclub. In 2019 he won the EDM Droid Macau number 1 DJ award, and currently plays in Macau's hottest super club - Para.

SESCO'S rise to fame has seen him perform in over 40 cities across the globe, including Europe and Asia establishing himself as an international crowd pleaser. Most recent highlights have included main stage **EDC China**, **Ultra Korea** and **Ultra Japan**. His quality productions and signature bass-heavy sound continue to catch the ears of listeners everywhere around the world.

But his adventure is far from over SESCO hypes any stage, giving his energised fans everything, they want! Be on the lookout for more SESCO insanity this year through one of his many upcoming, collaborations and tours.
